CAMP BIRCH KNOLL for GIRLS

The food at Birch Knoll is out of this world!! Our Head Cook has been with us for over 20 years!! Our meals are fantastic!! We feature a full salad bar, a variety of entrée items served buffet style, cook-outs, and special themed meals that make the meal a program of it's own!

We have a registered nurse living on-site and have excellent medical care at the clinics and hospital in Eagle River, about 8 miles away.

The girls live in cabins with 8-12 girls, usually within their own grade. Each cabin has a living area, plus a bathroom, closet and counselor rooms. The cabins all have electricity, windows, screens and cabinets for each girls belongings.

While our program is primarily in camp, we do venture out of camp for a trip to the go-cart and bumper boat park, an all-camp trip to the local ski show and separate day and over-night trips by age group to Minocqua, Wisconsin Dells, Mackinac Island, the Menominee River, etc. These outings are amazing!!! We also do a couple of low-key "socials" with area boys camps!! That gives our girls a chance to visit with their brothers and friends in an easy environment.

As you can see, Birch Knoll is action packed!! You will love every second!! We'd love to talk with you about Birch Knoll!! Please call 1-800-843-2904 or email us at cbkfun@aol.com.

Thanks,
Gary Baier
Director
